It is Carlton Draught served as the brewer intended with a lively taste profile and a smooth finish. Our fanatical commitment to freshness dictates that our Tank Beer is decanted straight from the bright beer tank and transported cold to the venue straight from the brewery. (ABBOTSFORD, VIC)

Guinness	4.2%	60	6	12
The deep colour and caramelised flavour that are characteristic of Guinness come from barley that has been roasted but not malted. The thick, creamy head that Guinness is well known for is achieved by mixing the beer with nitrogen, which creates smaller bubbles and thus a thicker head and a more delicate taste. (DUBLIN)
